[State and local vocational rehabilitation agencies -](#)

- Independent Living Centers in some 400 communities around the country provide technical assistance to employers and people with disabilities on accessibility and other accommodations and make referrals to specialized sources of assistance.
- The Job Accommodation Network (JAN) a free national consultant service, available through a toll-free number, helps employers make individualized accommodations.
- ABLEDATA, a computerized database of disability-related products and services, conducts customized information searches on worksite modifications, assistive devices and other accommodations.
- The President's Committee on Employment of People with Disabilities provides technical information, including publications with practical guidance on job analysis and accommodations.

Uplifting Lives by Counseling, Educating and Caring.
